Award date 18 March 2010

Colin Bransgrove
MIAA Executive Officer

This is to certify that the above marina has been rated within a band of 3 to 5 gold anchors based on analysis of marina services and facilities. Desk top and independent site audits; mystery shopper and customer surveys are used. During the three year validity of this rating the marina will be subject to further mystery shopper checks. The authorizing body welcomes feedback to ensure the integrity of the MIAA Gold Anchor International Rating Scheme for Marinas.
